Date: May 4, 2025

1. Timeline & Investment

    Time Estimate: 7–10 business days

    Fixed Cost: ■21,000

2. Requirements From Client

    To kick off work smoothly, please share the following:

- Shopify Account Details – Store URL & admin/collaborator access
- Domain Purchase – Registrar login & DNS host info
- Logo Files – High-res SVG or PNG (transparent BG)
- Product Data – Details (name, SKU, price, variants)
  - High-res images
- Payment Gateways – Preferred gateways & test/live credentials (PayU, Razorpay, etc.)
- Shipping Setup – Carriers, zones, rate tables (flat, weight/price-based, free)
- Tax/VAT Information – Registration numbers and applicable rules
- Legal & Policy Texts – Privacy Policy, ToS, Refund/Return Policy
- Social Media URLs – Facebook, Instagram, LinkedIn, etc.
- Contact Details – Email, phone, physical address
- Analytics IDs – Google Analytics/GA4 tracking ID
- Ad-Tech IDs – Facebook Pixel, Google Ads, or similar

3. Next Steps

    Gather the above details.

    Send 50% advance to schedule kickoff.

    Store setup begins as soon as we have everything—target launch within 7–10 days.

Feel free to review and let me know if any items need clarification. Looking forward to getting started!
