Message from the President

Prof. (Dr.) Suku Bhaskaran

This brochure presents the unique and differentiated advantages that GD Goenka University offers as a study destination. It showcases why the University should be your first choice destination for study.

GD Goenka University is a comprehensive university. It offers a wide range of academic programmes. These programmes and the courses therein are designed with forethought to ready you for careers and more advanced levels of study, for example from undergraduate courses to master's level courses and from

master's level courses to doctoral studies, throughout the world.

Many of our courses are designed to enable you to progress your study at universities in countries such as the USA, UK, Australia, Canada, France, Italy, Brazil and Malaysia and earn your qualification from our partner institution in these countries. For example, on completing Year 1 of a programme at GD Goenka University you could articulate to a partner institution, complete your study there and earn a degree from the partner institution. You can also choose to go to a partner institution for one semester and return to GD Goenka University and earn a degree from GD Goenka University or go on a two or three

week Summer School programme to our partner institution. The experiences that you gain through such cross-national engagements would be extremely valuable in an increasingly globalised work and study environment.

One of the distinct strength of GD Goenka University is the quality of our academic staff. Several of our academic staff members are qualified from some of the best universities in India and abroad and also have teaching, research and work experience in higher education institutions and business corporations in many parts of the world. Because our academic staff members have knowledge and exposure to global best practices, we have drawn on their expertise to establish an ecosystem that provides outstanding learning experiences. Additionally, academic staff members from our partner institutions also part deliver some courses or conduct sessions as guest lecturers.

The background of our academic staff members also denotes that they have excellent cross-cultural capabilities and are adept at engaging with students from diverse backgrounds. We provide a holistic learning environment that focuses on making you ready for work, further study and leadership roles in an increasingly globalised world. We draw on the cultural, social, economic, gender and experiential diversity of our

students and staff members to create an unparalleled learning experience.

The University also offers outstanding outside-the-classroom learning experience through organising industry visits, engagements in projects with industry and community organisations and a range of extra-curricular and co-curricular activities such as conferences and workshops. These extra and co-curricular activities are designed to develop your skills in planning, organising and working in teams – essential skills in the contemporary workplace.

I am confident that you will have an outstanding experience at GD Goenka University. I look forward to welcoming you to GD Goenka University.
